CASE NO. 08-03423-EE
Chapter 11DEBTOR'S MOTION TO COMPROMISE AND SETTLE DISPUTED CLAIMS
WITH EMPLOYERS MUTUAL CASUALTY INSURANCE COMPANY

Warehouse 86, LLC, the Debtor and debtor-in-possession herein ("Debtor" or "Warehouse 86"), by and through its attorneys, files this Motion to Compromise and Settle Disputed Claims with Employers Mutual Casualty Insurance Company ("EMC"), and would show unto the Court the following:

Introduction

- On November 4, 2008 (the "Petition Date"), Debtor filed its Voluntary Petition in this bankruptcy case (the "Bankruptcy Case") under Chapter 11 of the Title 11 United States Code (the "Bankruptcy Code"). Pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code, Debtor is continuing to manage its assets as Debtor in possession. No trustee or examiner has been appointed in this Bankruptcy Case.
- An Official Committee of Unsecured Creditors (the "Committee") was appointed in this Bankruptcy Case on November 19, 2008 [Dkt. # 062].

9. On or about February 5, 2008, the Debtor's corporate offices and its primary warehouse and distribution center at the Location were damaged by a tornado. In addition to damage to the building at the Location, the Debtor suffered losses for its owned inventory at the Location and for cleanup and repair expenses related to its inventory, as well as for its personal property, such as its conveyor and racking system, other business personal property, business supplies, and for debris removal. In addition, the Debtor incurred covered losses for business income loss, as well as for extra expenses and claims preparations. In addition to the property owned by the Debtor that was damaged by the tornado, SCK had leased certain conveyors and racking to the Debtor, and a portion of that equipment also was damaged by the tornado. All of these losses suffered by the Debtor were covered under the Policy (collectively, the "Tornado Loss").

10. On or about February 11, 2008, during cleanup operations from the tornado, the Location was further damaged by a fire. In addition to damage to the building at the Location, the Debtor suffered losses for its owned inventory at the Location, as well as for its personal property such as its betterments and improvements and the conveyor and racking system, and for debris removal. In addition, the Debtor incurred business income loss. In addition to the property owned by the Debtor that was damaged by the fire, SCK had leased certain conveyors and racking to the Debtor, and a portion of that equipment also was damaged by the fire. All of these losses suffered by the Debtor were covered under the Policy (collectively, the "Fire Loss").

11. Following extensive negotiations with EMC, the Debtor has secured a settlement of claims for the Tornado Loss and for the Fire Loss for close to the limits of liability of the Policy. EMC has tendered the total amount of \$2,099,882.35 (the "Insurance Proceeds") in four

Jurisdiction and Venue

3. This Court has jurisdiction over this matter pursuant to 28 U. S. C. §§ 157 and 1334. Venue is proper in this Court under 28 U.S.C. §§ 1408 and 1409. This matter is governed by Rule 2002(a)(3) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

Background

4. Prior to February 5, 2008, Debtor operated an on-line auction business. The Debtor leased corporate office and warehouse in Southaven, Mississippi at 481 Airport Industrial Drive, Southaven, Mississippi (the "Location").

5. The Debtor occupied the Location under that certain Sublease with SCK, Inc., f/k/a S.C. Kiosks, Inc. ("SCK").

6. The Debtor was the named insured in that certain commercial property insurance policy numbered 3A2-22-78-08, issued by Employers Mutual Casualty Insurance Company with effective dates from April 15, 2007 to April 15, 2008 (the "Policy"). In accordance with its obligations under the Sublease, SCK also was a named "loss payee" in the Policy with respect to the Location. A copy of the Policy is attached hereto as Exhibit "A".

7. The Policy had a \$1,000,000 per occurrence loss limit for personal property loss, but it also have a separate per occurrence loss limit of \$50,000 for business income loss, a \$10,000 per occurrence loss limit for debris removal, a \$25,000 per occurrence loss limit for extra expenses, and a \$10,000 per occurrence loss limit for property of third-persons.

8. The Policy was an "all risk" property insurance policy that covered both the Debtor's property as well as the interest of SCK with respect to the leasehold improvements and the Subleased Equipment.

Klosks, Inc for authority to deposit Insurance proceeds into the registry of the court in contemplation of the filing of a Complaint for Declaratory Judgment, entered on August 26, 2009 [Dkt. # 184] and the receipts filed by the deputy clerk of the Bankruptcy Court on August 26, 2009 reflecting such deposits.

15. On November 2, 2009, SCK and RadioShack Corporation filed a Complaint for Declaratory Judgment against Warehouse 86, LLC in this Bankruptcy Case, Adversary Proceeding No. 09-00139 [Dkt. # 197] to determine the rights to the Insurance Proceeds listed above, and that matter is now pending in the Bankruptcy Court. The Insurance Proceeds described in this paragraph has not yet been endorsed by the Debtor and deposited into a separate account pending disbursement by order of the Court, but it is anticipated that it will be so endorsed shortly.

17. A basic policy in bankruptcy cases is that compromise is favored. 10 Lawrence P. King, *Collier on Bankruptcy*, ¶ 9019.01 at 9019-2 (15th ed. Revised 2005). Courts have built on this policy by adopting the standards set forth in the United States Supreme Court decision, *Protective Comm. for Indep. Stockholders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414 (1968). In *TMT*, the Supreme Court held that a compromise would be approved by the bankruptcy court only after it

apprise[s] itself of all facts necessary for an intelligent and objective opinion of the probabilities of ultimate success should the claim be litigated. Further, the judge should form an educated estimate of the complexity, expense, and likely duration of such litigation, the possible difficulties in collecting on any judgment which might be obtained, and all other factors relevant to a full and fair assessment of the wisdom of the proposed compromise.

Id. at 424.

18. The Fifth Circuit standard has been stated in *Official Comm. of Unsecured Creditors v. Cajun Electric Power Corp., Inc.*:

- (1) [t]he probability of success in the litigation, with due consideration for the uncertainty in fact and law,
- (2) [t]he complexity and likely duration of the litigation and any attendant expense, inconvenience and delay, and
- (3) [a]ll other factors bearing on the wisdom of the compromise.

119 F.3d 349 (5th Cir. 1997). *Id.* at 356. These factors have been summarized as requiring the compromise to be "fair and equitable" and "in the best interests of the estate." *TMT*, 390 U.S. at 424; *Cajun Elec.*, 119 F.3d at 355. The Court is not required to conduct a mini-trial or evidentiary hearing to determine the outcome of the dispute being compromised. *Cajun Elec.*, 119 F.3d at 355. If a full evidentiary hearing on the merits of the dispute were required, "[t]here would be no point in compromise; the parties might as well go ahead and try the case." 10 *Collier on Bankruptcy* ¶ 9019.03 at 9019-5. The Court, instead, should be apprised of the relevant facts and law sufficient to make an "informed and intelligent decision" *Cajun Elec.*, 119 F.3d at 355, and determine "whether the settlement 'falls below the lowest point in the range of reasonableness.'" 10 *Collier on Bankruptcy* ¶ 9019.03 at 9019-5.

19. Because the Debtor has secured a consensual settlement of claims for the Tornado Loss and for the Fire Loss in an amount that is very close to the limits of liability of the Policy, it is in the best interest of the Debtor, its creditors and all parties in interest for this settlement to be approved.

COMMERCIAL PROPERTY
CP 00 10 04 02BUILDING AND PERSONAL
PROPERTY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section H -- Definitions.

A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

1. Covered Property

Covered Property, as used in this Coverage Part, means the type of property described in this Section, A.1., and limited in A.2., Property Not Covered, if a Limit of Insurance is shown in the Declarations for that type of property.

a. Building, meaning the building or structure described in the Declarations, including:

- (1) Completed additions;
- (2) Fixtures, including outdoor fixtures;
- (3) Permanently installed:
 - (a) Machinery and
 - (b) Equipment;
- (4) Personal property owned by you that is used to maintain or service the building or structure or its premises, including:
 - (a) Fire extinguishing equipment;
 - (b) Outdoor furniture;
 - (c) Floor coverings; and
 - (d) Appliances used for refrigerating, ventilating, cooking, dishwashing or laundering;
- (5) If not covered by other insurance:
 - (a) Additions under construction, alterations and repairs to the building or structure;

(b) Materials, equipment, supplies and temporary structures, on or within 100 feet of the described premises, used for making additions, alterations or repairs to the building or structure.

b. Your Business Personal Property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises, consisting of the following unless otherwise specified in the Declarations or on the Your Business Personal Property -- Separation of Coverage form:

- (1) Furniture and fixtures;
- (2) Machinery and equipment;
- (3) "Stock";
- (4) All other personal property owned by you and used in your business;
- (5) Labor, materials or services furnished or arranged by you on personal property of others;
- (6) Your use interest as tenant in improvements and betterments. Improvements and betterments are fixtures, alterations, installations or additions:
 - (a) Made a part of the building or structure you occupy but do not own; and
 - (b) You acquired or made at your expense but cannot legally remove;
- (7) Leased personal property for which you have a contractual responsibility to insure, unless otherwise provided for under Personal Property of Others.

c. Personal Property of Others that is:

- (1) In your care, custody or control; and
- (2) Located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

However, our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

2. Property Not Covered

Covered Property does not include:

- a. Accounts, bills, currency, food stamps or other evidences of debt, money, notes or securities. Lottery tickets held for sale are not securities;
- b. Animals, unless owned by others and boarded by you, or if owned by you, only as "stock" while inside of buildings;
- c. Automobiles held for sale;
- d. Bridges, roadways, walks, patios or other paved surfaces;
- e. Contraband, or property in the course of illegal transportation or trade;
- f. The cost of excavations, grading, backfilling or filling;
- g. Foundations of buildings, structures, machinery or boilers if their foundations are below:
 - (1) The lowest basement floor; or
 - (2) The surface of the ground, if there is no basement;
- h. Land (including land on which the property is located), water, growing crops or lawns;
- i. Personal property while airborne or waterborne;
- j. Bulkheads, pilings, piers, wharves or docks;
- k. Property that is covered under another coverage form of this or any other policy in which it is more specifically described, except for the excess of the amount due (whether you can collect on it or not) from that other insurance;
- l. Retaining walls that are not part of a building;
- m. Underground pipes, flues or drains;

n. Electronic data, except as provided under Additional Coverages -- Electronic Data. Electronic data means information, facts or computer programs stored as on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cots, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. This Paragraph n. does not apply to your "stock" of prepackaged software.

o. The cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data.

p. Vehicles or self-propelled machines (including aircraft or watercraft) that:

- (1) Are licensed for use on public roads; or
- (2) Are operated principally away from the described premises.

This paragraph does not apply to:

- (a) Vehicles or self-propelled machines or autos, you manufacture, process or warehouse;
- (b) Vehicles or self-propelled machines, other than autos, you hold for sale;
- (c) Rowboats or canoes out of water at the described premises; or
- (d) Trailers, but only to the extent provided for in the Coverage Extension for Non-Owned Detached Trailers.

q. The following property while outside of buildings:

- (1) Grain, hay, straw or other crops;
- (2) Fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, signs (other than signs attached to buildings), trees, shrubs or plants (other than "stock" of trees, shrubs or plants), all except as provided in the Coverage Extensions.

3. Covered Causes Of Loss

See applicable Causes of Loss Form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraphs (3) and (4), we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
 - (a) Extract "pollutants" from land or water; or
 - (b) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
 - (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
 - (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.
 - (4) We will pay up to an additional \$10,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

(a) The total of the actual debris removal expenses plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.

(b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if (4)(a) and/or (4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$10,000.

Examples

The following examples assume that there is no coinsurance penalty.

Example #1

Limit of Insurance	\$ 80,000
Amount of Deductible	\$ 600
Amount of Loss	\$ 60,000
Amount of Loss Payable	\$ 49,500
	(\$50,000 - \$500)
Debris Removal Expense	\$ 10,000
Debris Removal Expense Payable	\$ 10,000
	(\$10,000 is 20% of \$50,000)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

Example #2

Limit of Insurance	\$ 80,000
Amount of Deductible	\$ 600
Amount of Loss	\$ 80,000
Amount of Loss Payable	\$ 79,500
	(\$80,000 - \$500)
Debris Removal Expense	\$ 30,000
Debris Removal Expense Payable	
	Basic Amount \$ 10,500
	Additional Amount \$ 10,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000; capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$80,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$30,000) exceeds 25% of the loss payable plus the deductible (\$30,000 is 37.6% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$30,000 = \$109,500) would exceed the Limit of Insurance (\$80,000). The additional amount of covered debris removal expense is \$10,000, the maximum payable under Paragraph (4). Thus the total payable for debris removal expense in this example is \$20,500; \$5,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000 for your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance. No Deductible applies to this Additional Coverage.

d. Pollutant Clean Up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12 month period of this policy.

e. Increased Cost Of Construction

(1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.

(2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with enforcement of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in a.(3) through a.(8) of this Additional Coverage.

- (3) The ordinance or law referred to in a.(2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises, and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
- You were required to comply with before the loss, even when the building was undamaged; and
 - You failed to comply with.
- (5) Under this Additional Coverage, we will not pay for:
- The enforcement of any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
 - Any costs associated with the enforcement of an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.
- (6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of: \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable coinsurance percentage.
- The amount payable under this Additional Coverage is additional insurance.
- (7) With respect to this Additional Coverage:
- We will not pay for the increased Cost of Construction:
 - Until the property is actually repaired or replaced, at the same or another premises; and
 - Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the increased Cost of Construction, subject to the provisions of a.(6) of this Additional Coverage, is the increased cost of construction at the same premises.
 - If the ordinance or law requires relocation to another premises, the most we will pay for the increased Cost of Construction, subject to the provisions of a.(6) of this Additional Coverage, is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance or Law Exclusion, to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.
- (9) The costs addressed in the Loss Payment and Valuation Conditions, and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of an ordinance or law. The amount payable under this Additional Coverage, as stated in a.(6) of this Additional Coverage, is not subject to such limitation.
- f. Electronic Data**
- (1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered - Electronic Data.

- (2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.
- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage - Electronic Data, subject to the following:
- If the Causes Of Loss - Special Form applies, coverage under this Additional Coverage - Electronic Data is limited to the "specified causes of loss" as defined in that form, and Collapse as set forth in that form.
 - If the Causes Of Loss - Broad Form applies, coverage under this Additional Coverage - Electronic Data includes Collapse as set forth in that form.
 - If the Causes Of Loss Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage - Electronic Data.
 - The Covered Causes of Loss include a virus, harmful code or similar intrusion introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.
- (4) The most we will pay under this Additional Coverage - Electronic Data is \$2,500 for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.
- 5. Coverage Extensions**
- Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.
- If a Coinsurance percentage of 80% or more or a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:
- Newly Acquired Or Constructed Property**
 - Buildings**
If this policy covers Building, you may extend that insurance to apply to:
 - Your new buildings while being built on the described premises; and
 - Buildings you acquire at locations, other than the described premises, intended for:
 - Similar use as the building described in the Declarations; or
 - Use as a warehouse.
 The most we will pay for loss or damage under this Extension is \$250,000 at each building.
 - Your Business Personal Property**
 - If this policy covers Your Business Personal Property, you may extend that insurance to apply to:
 - Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions;

- Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations; or
 - Business personal property that you newly acquire, located at the described premises.
- The most we will pay for loss or damage under this Extension is \$100,000 at each building.
- (b) This Extension does not apply to:
- Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or
 - Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.
- (3) **Period Of Coverage**
- With respect to insurance on or at each newly acquired or constructed property, coverage will end when any of the following first occurs:
- This policy expires;
 - 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or
 - You report values to us.
- We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.
- b. Personal Effects And Property Of Others**
- You may extend the insurance that applies to Your Business Personal Property to apply to:
- Personal effects owned by you, your officers, your partners or members, your managers or your employees. This extension does not apply to loss or damage by theft.
 - Personal property of others in your care, custody or control.
- The most we will pay for loss or damage under this Extension is \$2,500 at each described premises. Our payment for loss or damage to personal property of others will only be for the account of the owner of the property.
- c. Valuable Papers And Records (Other Than Electronic Data)**
- (1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplication does not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered - Electronic Data.
- (2) If the Causes Of Loss - Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form, and Collapse as set forth in that form.
- (3) If the Causes Of Loss - Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.
- (4) Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist), and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and therefore coverage of such costs is not additional insurance.
- d. Property Of Premises**
- (1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:
- Temporarily at a location you do not own, lease or operate;
 - In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
 - At any fair, trade show or exhibition.
- (2) This Extension does not apply to property:
- In or on a vehicle; or

- In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.
- (3) The most we will pay for loss or damage under this Extension is \$10,000.
- e. Outdoor Property**
- You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), signs (other than signs attached to buildings), trees, shrubs and plants (other than "stock" of trees and plants), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:
- Fire;
 - Lightning;
 - Explosion;
 - Riot or Civil Commotion; or
 - Aircraft.
- The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types and number of items lost or damaged in that occurrence.
- f. Non-Owned Detached Trailers**
- (1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:
- The trailer is used in your business;
 - The trailer is in your care, custody or control at the premises described in the Declarations; and
 - You have a contractual responsibility to pay for loss or damage to the trailer.
- (2) We will not pay for any loss or damage that occurs:
- While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes of Loss Form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs attached to buildings is \$1,000 per sign in any one occurrence.

The limits applicable to the Fire Department Service Charge and Pollutant Clean Up and Removal Additional Coverages are in addition to the Limits of Insurance.

Payments under the Preservation of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as "loss"), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss, and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

Example No. 1:

(This example assumes there is no coinsurance penalty.)

Deductible:	\$ 250
Limit of Insurance - Bldg. 1:	\$ 60,000
Limit of Insurance - Bldg. 2:	\$ 60,000
Loss to Bldg. 1:	\$ 60,100
Loss to Bldg. 2:	\$ 90,000

The amount of loss to Bldg. 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Bldg. 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Bldg. 1:

\$ 60,100
- 250
\$ 59,850 Loss Payable - Bldg. 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Bldg. 2. Loss payable for Bldg. 2 is the Limit of Insurance of \$60,000.

Total amount of loss payable: \$59,850 + \$60,000 = \$119,850

Example No. 2:

(This example, too, assumes there is no coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example No. 1.

Loss to Bldg. 1:	\$ 70,000
(exceeds Limit of Insurance plus Deductible)	
Loss to Bldg. 2:	\$ 80,000
(exceeds Limit of Insurance plus Deductible)	
Loss Payable - Bldg. 1:	\$60,000
(Limit of Insurance)	
Loss Payable - Bldg. 2:	\$80,000
(Limit of Insurance)	
Total amount of loss payable:	\$140,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- Pay its chosen appraiser; and
- Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

- You must see that the following are done in the event of loss or damage to Covered Property:

- Notify the police if a law may have been broken.
- Give us prompt notice of the loss or damage. Include a description of the property involved.
- As soon as possible, give us a description of how, when and where the loss or damage occurred.
- Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

- Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

- Cooperate with us in the investigation or settlement of the claim.

- We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

- In the event of loss or damage covered by this Coverage Form, at our option, we will either:

- Pay the value of lost or damaged property;
- Pay the cost of repairing or replacing the lost or damaged property, subject to b. below;
- Take all or any part of the property at an agreed or appraised value; or
- Repair, rebuild or replace the property with other property of like kind and quality, subject to b. below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.

- The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.
- We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- We will not pay you more than your financial interest in the Covered Property.

- We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the covered property. We will not pay the owners more than their financial interest in the Covered Property.

- We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

- We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part and:

- (1) We have reached agreement with you on the amount of loss; or
- (2) An appraisal award has been made.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Vacancy**a. Description Of Terms**

- As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in (1)(a) and (1)(b) below:

(a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or units rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

(b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

- Rented to a lessee or sub-lessee and used by the lessee or sub-lessee to conduct its customary operations; and/or
- Used by the building owner to conduct customary operations.

- Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

- We will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:

- Vandalism;
- Sprinkler leakage, unless you have protected the system against freezing;
- Building glass breakage;
- Water damage;
- Theft; or
- Attempted theft.

- With respect to Covered Causes of Loss other than those listed in b.(1)(a) through b.(1)(f) above, we will reduce the amount we would otherwise pay for the loss or damage by 16%.

7. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

- At actual cash value as of the time of loss or damage, except as provided in b., c., d. and e. below.
- If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property. However, the following property will be valued at the actual cash value even when attached to the building:

- Awnings or floor coverings;
- Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or
- Outdoor equipment or furniture.

- "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.

- Glass at the cost of replacement with safety glazing material if required by law.

a. Tenant's Improvements and Betterments at

- Actual cash value of the lost or damaged property if you make repairs promptly.
- A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:

- Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
- Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.

- Nothing if others pay for repairs or replacement.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies.

- We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

- Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;
- Divide the Limit of Insurance of the property by the figure determined in Step (1);

- Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

Example No. 1 (Underinsurance):

When:	The value of the property is	\$ 250,000
	The Coinsurance percentage for it is	80%
	The Limit of Insurance for it is	\$ 100,000
	The Deductible is	\$ 250
	The amount of loss is	\$ 40,000

Step (1): $\$250,000 \times 80\% = \$200,000$
(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $\$100,000 \div \$200,000 = .50$

Step (3): $\$40,000 \times .50 = \$20,000$

Step (4): $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

Example No. 2 (Adequate Insurance):

When:	The value of the property is	\$ 250,000
	The Coinsurance percentage for it is	80%
	The Limit of Insurance for it is	\$ 200,000
	The Deductible is	\$ 250
	The amount of loss is	\$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ($\$250,000 \times 80\%$). Therefore, the Limit of Insurance in this Example is adequate and no penalty applies. We will pay no more than \$39,750 (\$40,000 amount of loss minus the deductible of \$250).

- If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

Example No. 3:

When:	The value of property is:	
	Bldg. at Location No. 1	\$ 75,000
	Bldg. at Location No. 2	\$ 100,000
	Personal Property at Location No. 2	\$ 75,000
		\$ 250,000

The Coinsurance percentage for it is 80%

	The Limit of Insurance for Buildings and Personal Property at Location Nos. 1 and 2 is	\$ 180,000
	The Deductible is	\$ 1,000
	The amount of loss is:	
	Bldg. at Location No. 2	\$ 30,000
	Personal Property at Location No. 2	\$ 20,000
		\$ 50,000

Step (1): $\$250,000 \times 80\% = \$200,000$
(the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2): $\$180,000 + \$225,000 = .80$

Step (3): $\$50,000 \times .80 = \$40,000$

Step (4): $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

2. Mortgageholders

- The term mortgageholder includes trustee.
- We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.

c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.

- If we deny your claim because of your act or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:

- Pays any premium due under this Coverage Part at our request if you have failed to do so;

- Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and

- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:

- (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and

- (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:

- (1) 10 days before the effective date of cancellation if we cancel for your non-payment of premium; or
(2) 30 days before the effective date of cancellation if we cancel for any other reason.

- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

1. Agreed Value

- a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part bears to the Agreed Value shown for it in the Declarations.

- b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.

- c. The terms of this Optional Coverage apply only to loss or damage that occurs:

- (1) On or after the effective date of this Optional Coverage; and

- (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

- a. The Limit of Insurance for property to which this Optional Coverage applied will automatically increase by the annual percentage shown in the Declarations.

- b. The amount of increase will be:

- (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times

- (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times

- (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

Example:

If:	The applicable Limit of Insurance is	\$ 100,000
	The annual percentage increase is	8%
	The number of days since the beginning of the policy year (or last policy change) is	148
	The amount of increase is \$100,000 x .08 x 148 ÷ 365 =	\$ 3,200

3. Replacement Cost

- a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Loss Condition, Valuation, of this Coverage Form.

- b. This Optional Coverage does not apply to:

- (1) Personal property of others;

- (2) Contents of a residence;

- (3) Works of art, antiques or rare articles, including ethnics, pictures, statuary, marbles, bronzes, porcelain and bric-a-brac or

- (4) "Stock", unless the Including "Stock" option is shown in the Declarations.

Under the terms of this Replacement Cost Optional Coverage, tenants' improvements and betterments are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.

- d. We will not pay on a replacement cost basis for any loss or damage:

- (1) Until the lost or damaged property is actually repaired or replaced; and

- (2) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.

With respect to tenants' improvements and betterments, the following also apply:

- (3) If the conditions in d.(1) and d.(2) above are not met, the value of tenants' improvements and betterments will be determined as a proportion of your original cost, as set forth in the Valuation Condition of this Coverage Form; and

- (4) We will not pay for loss or damage to tenants' improvements and betterments if others pay for repairs or replacement.

- e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3), subject to f. below:

- (1) The Limit of Insurance applicable to the lost or damaged property;

- (2) The cost to replace the lost or damaged property with other property;

- (a) Of comparable material and quality; and

- (b) Used for the same purpose; or

- (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in a.(2) above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

- a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph 3.b.(1) of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.

- b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

COMMERCIAL PROPERTY

COMMERCIAL PROPERTY CONDITIONS

This Coverage Part is subject to the following conditions, the Common Policy Conditions and applicable Loss Conditions and Additional Conditions in Commercial Property Coverage Forms.

A. CONCEALMENT, MISREPRESENTATION OR FRAUD

This Coverage Part is void in any case of fraud by you as it relates to this Coverage Part at any time. It is also void if you or any other insured, at any time, intentionally conceal or misrepresent a material fact concerning:

1. This Coverage Part;
2. The Covered Property;
3. Your Interest in the Covered Property; or
4. A claim under this Coverage Part.

B. CONTROL OF PROPERTY

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this Coverage Part at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

C. INSURANCE UNDER TWO OR MORE COVERAGES

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

D. LEGAL ACTION AGAINST US

No one may bring a legal action against us under this Coverage Part unless:

1. There has been full compliance with all of the terms of this Coverage Part; and
2. The action is brought within 2 years after the date on which the direct physical loss or damage occurred.

E. LIBERALIZATION

If we adopt any revision that would broaden the coverage under this Coverage Part without additional premium within 45 days prior to or during the policy period, the broadened coverage will immediately apply to this Coverage Part.

F. NO BENEFIT TO BAILEE

No person or organization, other than you, having custody of Covered Property will benefit from this insurance.

G. OTHER INSURANCE

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.

2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

H. POLICY PERIOD, COVERAGE TERRITORY

Under this Coverage Part:

1. We cover loss or damage commencing:

- a. During the policy period shown in the Declarations; and
b. Within the coverage territory.

2. The coverage territory is:

- a. The United States of America (including its territories and possessions);
b. Puerto Rico; and
c. Canada.

I. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

1. Prior to a loss to your Covered Property or Covered Income.

2. After a loss to your Covered Property or Covered Income only if, at time of loss, that party is one of the following:

- a. Someone insured by this insurance;
b. A business firm:
(1) Owned or controlled by you; or
(2) That owns or controls you; or
c. Your tenant.

This will not restrict your insurance.

COMMERCIAL PROPERTY

**BUSINESS INCOME (AND EXTRA EXPENSE)
 COVERAGE FORM**

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section G. - Definitions.

A. Coverage

1. Business Income

Business Income means the:

- Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and
- Continuing normal operating expenses incurred, including payroll.

For manufacturing risks, Net Income includes the net sales value of production.

Coverage is provided as described and limited below for one or more of the following options for which a Limit of Insurance is shown in the Declarations:

- Business Income including "Rental Value".
- Business Income other than "Rental Value".
- "Rental Value".

If option a. above is selected, the term Business Income will include "Rental Value". If option c. above is selected, the term Business Income will mean "Rental Value" only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.

We will pay for the actual loss of Business Income you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to property at premises which are described in the Declarations and for which a Business Income Limit of Insurance is shown in the Declarations. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of the site at which the described premises are located.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of the site at which the described premises are located, your means means:

- The portion of the building which you rent, lease or occupy; and
- Any area within the building or on the site at which the described premises are located, if that area services, or is used to gain access to, the described premises.

2. Extra Expense

a. Extra Expense coverage is provided at the premises described in the Declarations only if the Declarations show that Business Income coverage applies at that premises.

b. Extra Expense means necessary expenses you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from a Covered Cause of Loss.

We will pay Extra Expense (other than the expense to repair or replace property) to:

- Avoid or minimize the "suspension" of business and to continue operations at the described premises or at replacement premises or temporary locations, including relocation expenses and costs to equip and operate the replacement location or temporary location.
- Minimize the "suspension" of business if you cannot continue "operations".

We will also pay Extra Expense to repair or replace property, but only to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Form.

3. Covered Causes Of Loss, Exclusions And Limitations

See applicable Causes of Loss Form as shown in the Declarations.

4. Additional Limitation - Interruption Of Computer Operations

a. Coverage for Business Income does not apply when a "suspension" of "operations" is caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage - Interruption Of Computer Operations.

b. Coverage for Extra Expense does not apply when action is taken to avoid or minimize a "suspension" of "operations" caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage - Interruption Of Computer Operations.

c. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to retrieve, process, store, retrieve or send data.

5. Additional Coverages

a. Civil Authority

We will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises due to direct physical loss of or damage to property, other than at the described premises, caused by or resulting from any Covered Cause of Loss.

The coverage for Business Income will begin 72 hours after the time of that action and will apply for a period of up to three consecutive weeks after coverage begins.

The coverage for Extra Expense will begin immediately after the time of that action and will end:

- 3 consecutive weeks after the time of that action; or
- When your Business Income coverage ends; whichever is later.

b. Alterations And New Buildings

We will pay for the actual loss of Business Income you sustain, and necessary Extra Expense you incur due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss by:

- New buildings or structures, whether complete or under construction;
- Alterations or additions to existing buildings or structures; and
- Machinery, equipment, supplies or building materials located on or within 100 feet of the described premises and:
 - Used in the construction, alterations or additions; or
 - Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of "operations", the "period of restoration" for Business Income Coverage will begin on the date "operations" would have begun if the direct physical loss or damage had not occurred.

c. Extended Business Income

(1) Business Income Other Than "Rental Value"

If the necessary "suspension" of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

- Begins on the date property (except finished stock) is actually repaired, rebuilt or replaced, and "operations" are resumed; and
- Ends on the earlier of:
 - The date you could restore your "operations", with reasonable speed, to the level which would generate the business' income amount that would have existed if no direct physical loss or damage had occurred; or

(ii) 30 consecutive days after the date determined in (i)(a) above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

(2) "Rental Value"

If the necessary "suspension" of your "operations" produces a "Rental Value" loss payable under this policy, we will pay for the actual loss of "Rental Value" you incur during the period that:

- Begins on the date property is actually repaired, rebuilt or replaced and inhabitability is restored; and
- Ends on the earlier of:
 - The date you could restore tenant occupancy, with reasonable speed, to the level which would generate the "Rental Value" that would have existed if no direct physical loss or damage had occurred; or

(ii) 30 consecutive days after the date determined in (2)(a) above.

However, Extended Business Income does not apply to loss of "Rental Value" incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of "Rental Value" must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

d. Interruption Of Computer Operations

(1) Under this Additional Coverage, electronic data has the meaning described under Additional Limitation - Interruption Of Computer Operations.

(2) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a "suspension" of "operations" caused by an interruption in computer operations due to destruction or corruption of electronic data due to a Covered Cause of Loss.

(3) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:

- If the Causes Of Loss - Special Form applies, coverage under this Additional Coverage - Interruption Of Computer Operations is limited to the "specified causes of loss" as defined in that form, and Collapse as set forth in that form.
- If the Causes Of Loss - Broad Form applies, coverage under this Additional Coverage - Interruption Of Computer Operations includes Collapse as set forth in that form.

(c) If the Causes Of Loss Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage - Interruption Of Computer Operations.

(d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, maintain, repair or replace that system.

(4) The most we will pay under this Additional Coverage - Interruption Of Computer Operations is \$2,500 for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.

(5) This Additional Coverage - Interruption In Computer Operations does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in (4) above has not been exhausted.

6. Coverage Extension

If a Coinsurance percentage of 50% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

Newly Acquired Locations

a. You may extend your Business Income and Extra Expense Coverages to apply to property at any location you acquire other than fairs or exhibitions.

b. The most we will pay under this Extension, for the sum of Business Income loss and Extra Expense Incurred, is \$100,000 at each location.

c. Insurance under this Extension for each newly acquired location will end when any of the following first occurs:

- This policy expires;
- 30 days expire after you acquire or begin to construct the property; or
- You report values to us.

We will charge you additional premium for values reported from the date you acquire the property.

This Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

B. Limits Of Insurance

The most we will pay for loss in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

The limit applicable to the Coverage Extension is in addition to the Limit of Insurance.

Payments under the following coverages will not increase the applicable Limit of Insurance:

- Alterations and New Buildings;
- Civil Authority;
- Extra Expense; or
- Extended Business Income.

C. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Appraisal

If we and you disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- Pay its chosen appraiser; and
- Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Loss

a. You must see that the following are done in the event of loss:

- Notify the police if a law may have been broken.
- Give us prompt notice of the direct physical loss or damage, include a description of the property involved.
- As soon as possible, give us a description of how, when, and where the direct physical loss or damage occurred.

- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.
Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
- (6) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (7) Cooperate with us in the investigation or settlement of the claim.
- (8) If you intend to continue your business, you must resume all or part of your "operations" as quickly as possible.
- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.
3. Loss Determination
 - a. The amount of Business Income loss will be determined based on:
 - (1) The Net Income of the business before the direct physical loss or damage occurred;
 - (2) The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses;
 - (3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and
 - (4) Other relevant sources of information, including:
 - (a) Your financial records and accounting procedures;
 - (b) Bills, invoices and other vouchers; and
 - (c) Deeds, liens or contracts.
- b. The amount of Extra Expense will be determined based on:
 - (1) All expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:
 - (a) The salvage value that remains of any property bought for temporary use during the "period of restoration", once "operations" are resumed; and
 - (b) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
 - (2) Necessary expenses that reduce the Business Income loss that otherwise would have been incurred.
- c. Resumption Of Operations
 - We will reduce the amount of your:
 - (1) Business Income loss, other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.
 - (2) Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.
 - d. If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

4. Loss Payment.
We will pay for covered loss within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part and:
 - a. We have reached agreement with you on the amount of loss; or
 - b. An appraisal award has been made.
 - D. Additional Condition
Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies in addition to the Common Policy Conditions and the Commercial Property Conditions.

We will not pay the full amount of any Business Income loss if the Limit of Insurance for Business Income is less than:

 - a. The Coinsurance percentage shown for Business Income in the Declarations; times
 - b. The sum of:
 - (1) The Net Income (Net Profit or Loss before income taxes); and
 - (2) Operating expenses, including payroll expenses,

that would have been earned or incurred (had no loss occurred) by your "operations" at the described premises for the 12 months following the inception, or last previous anniversary date, of this policy (whichever is later).

Instead, we will determine the most we will pay using the following steps:

 1. Multiply the Net Income and operating expense for the 12 months following the inception, or last previous anniversary date, of this policy by the Coinsurance percentage;
 2. Divide the Limit of Insurance for the described premises by the figure determined in Step 1; and
 3. Multiply the total amount of loss by the figure determined in Step 2.

We will pay the amount determined in Step 3, or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

In determining operating expenses for the purpose of applying the Coinsurance condition, the following expenses, if applicable, shall be deducted from the total of all operating expenses:

 1. Prepaid freight - outgoing;
 2. Returns and allowances;
 3. Discounts;
 4. Bad debts;
 5. Collection expenses;
 6. Cost of raw stock and factory supplies consumed (including transportation charges);
 7. Cost of merchandise sold (including transportation charges);
 8. Cost of other supplies consumed (including transportation charges);
 9. Cost of services purchased from outsiders (not employees) to sell, that do not continue under contract;
 10. Power, heat and refrigeration expenses that do not continue under contract (if Form CP 15 10 is attached);
 11. All ordinary payroll expenses of the amount of payroll expense excluded (if Form CP 15 10 is attached); and
 12. Special deductions for mining properties (royalties unless specifically included in coverage; actual depletion commonly known as unit or cost depletion; not percentage depletion; welfare and retirement fund charges based on tonnage; hired trucks).
- Example No. 1 (Underinsurance):
- When: The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been \$ 400,000
- The Coinsurance percentage is 50%
- The Limit of Insurance is \$ 150,000
- The amount of loss is \$ 80,000
- Step 1: \$400,000 x 50% = \$200,000 (the minimum amount of insurance to meet your Coinsurance requirements)
- Step 2: \$150,000 + \$200,000 = .75
- Step 3: \$80,000 x .75 = \$60,000
- We will pay no more than \$60,000. The remaining \$20,000 is not covered.

Example No. 2 (Adequate Insurance):

Example:

When: The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been \$ 400,000

The Coinsurance percentage is 50%

The Limit of Insurance is \$ 200,000

The amount of loss is \$ 80,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 (\$400,000 x 50%). Therefore, the Limit of Insurance in this Example is adequate and no penalty applies. We will pay no more than \$80,000 (amount of loss).

This condition does not apply to Extra Expense coverage.

When: The Limit of Insurance is \$ 120,000

The fraction shown in the Declarations for this Optional Coverage is 1/4

The most we will pay for loss in each period of 30 consecutive days is:

\$120,000 x 1/4 = \$30,000

If, in this example, the actual amount of loss is:

Days 1-30	\$ 40,000
Days 31-60	20,000
Days 61-90	30,000
	\$ 90,000

We will pay:

Days 1-30	\$ 30,000
Days 31-60	20,000
Days 61-90	30,000
	\$ 80,000

E. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

3. Business Income Agreed Value

a. To activate this Optional Coverage:

- (1) A Business Income Report/Work Sheet must be submitted to us and must show financial data for your "operations":
 - (a) During the 12 months prior to the date of the Work Sheet; and
 - (b) Extended for the 12 months immediately following the inception of this Optional Coverage.
- (2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies, and an Agreed Value must be shown in the Declarations. The Agreed Value should be at least equal to:
 - (a) The Coinsurance percentage shown in the Declarations; multiplied by
 - (b) The amount of Net Income and operating expenses for the following 12 months you report on the Work Sheet.
- b. The Additional Condition, Coinsurance, is suspended until:
 - (1) 12 months after the effective date of this Optional Coverage; or

- (2) The expiration date of this policy, whichever occurs first.
 - c. We will reinstate the Additional Condition, Coinsurance, automatically if you do not submit a new Work Sheet and Agreed Value:
 - (1) Within 12 months of the effective date of this Optional Coverage; or
 - (2) When you request a change in your Business Income Limit of Insurance.
 - d. If the Business Income Limit of Insurance is less than the Agreed Value, we will not pay more of any loss than the amount of loss multiplied by:
 - (1) The Business Income Limit of Insurance; divided by
 - (2) The Agreed Value.
- Example:
- When: The Limit of Insurance is \$ 100,000
- The Agreed Value is \$ 200,000
- The amount of loss is \$ 80,000
- Step (a): \$100,000 + \$200,000 = .50
- Step (b): .50 x \$80,000 = \$40,000

We will pay \$40,000. The remaining \$40,000 is not covered.

4. Extended Period Of Indemnity

Under Paragraph A.5.c., Extended Business Income, the number "30" in Subparagraphs (1)(b) and (2)(b) is replaced by the number shown in the Declarations for this Optional Coverage.

CAUSES OF LOSS - SPECIAL FORM

Words and phrases that appear in quotation marks have special meaning. Refer to Section F. - Definitions.

- Excluded in Section B., Exclusions; or
- Limited in Section C., Limitations; that follow.

B. Exclusions

- We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

a. Ordinance Or Law

The enforcement of any ordinance or law:

- Regulating the construction, use or repair of any property; or
- Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

- An ordinance or law that is enforced even if the property has not been damaged; or
- The increased costs incurred to comply with an ordinance or law in the course of construction, repair, renovation, remodeling or demolition of property, or removal of its debris, following a physical loss to that property.

b. Earth Movement

Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in b.(1) through (4) above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

- Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

- Albino volcanic blast or albino shock waves;

Volcanic action does not include the cost to remove ash, dust or particulate matter that does not cause direct physical loss or damage to the described property.

c. Governmental Action

This exclusion does not apply:

- When "fungus", wet or dry rot or bacteria results from fire or lightning; or

But if the discharge, dispersal, seepage, migration, release or escape of "pollutants" results in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion, I., does not apply to damage to glass caused by chemicals applied to the glass.

- Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of loss.

- We will not pay for loss or damage caused by or resulting from any of the following, 3.a. through 3.e. But if an excluded cause of loss that is listed in 3.a. through 3.e. results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

- (2) The following additional exclusions apply to insurance under this Coverage Form:
 - (a) Contractual Liability

We will not defend any claim or "suit", or pay damages that you are legally liable to pay, solely by reason of your assumption of liability in a contract or agreement. But this exclusion does not apply to a written lease agreement in which you have assumed liability for building damage resulting from an actual or attempted burglary or robbery, provided that:

- (i) Your assumption of liability was executed prior to the accident; and
- (ii) The building is Covered Property under this Coverage Form.

(b) Nuclear Hazard

We will not defend any claim or "suit", or pay any damages, loss, expense or obligation, resulting from nuclear reaction or radiation, or radioactive contamination, however caused.

C. Limitations

The following limitations apply to all policy forms and endorsements, unless otherwise stated.

1. We will not pay for loss of or damage to property, as described and limited in this section. In addition, we will not pay for any loss that is a consequence of loss or damage as described and limited in this section.

- a. Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for loss of or damage to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

- b. Hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment, other than an explosion.

- c. The interior of any building or structure, or to personal property in the building or structure, caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:

- (1) The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand or dust enters; or
- (2) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.

- d. Building materials and supplies not attached as part of the building or structure, caused by or resulting from theft.

However, this limitation does not apply to:

- (1) Building materials and supplies held for sale by you, unless they are insured under the Builders Risk Coverage Form; or
- (2) Business Income coverage or Extra Expense coverage.

- e. Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property.

- f. Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.

2. We will not pay for loss of or damage to the following types of property unless caused by the "specified causes of loss" or building glass breakage:
 - a. Animals, and then only if they are killed or their destruction is made necessary;
 - b. Fragile articles such as statuary, marbles, chinaware and porcelain, if broken. This restriction does not apply to:
 - (1) Glass; or
 - (2) Containers of property held for sale.
 - c. Builders' machinery, tools and equipment owned by you or entrusted to you, provided such property is Covered Property.

However, this limitation does not apply:

- (1) If the property is located on or within 100 feet of the described premises, unless the premises is insured under the Builders Risk Coverage Form; or
- (2) To Business Income coverage or to Extra Expense coverage.

3. The special limit shown for each category, a. through d., is the total limit for loss of or damage to all property in that category. The special limit applies to any one occurrence of theft, regardless of the types or number of articles that are lost or damaged in that occurrence. The special limits are:

- a. \$2,500 for furs, fur garments and garments trimmed with fur.
- b. \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semi-precious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.
- c. \$2,500 for patterns, dies, molds and forms.
- d. \$250 for stamps, tickets, including lottery tickets held for sale, and letters of credit.

These special limits are part of, not in addition to, the Limit of Insurance applicable to the Covered Property.

This limitation, C.3., does not apply to Business Income coverage or to Extra Expense coverage.

4. We will not pay the cost to repair any defect to a system or appliance from which water, other liquid, powder or molten material escapes. But we will pay the cost to repair or replace damaged parts of fire extinguishing equipment if the damage:

- a. Results in discharge of any substance from an automatic fire protection system; or
 - b. Is directly caused by freezing.
- However, this limitation does not apply to Business Income coverage or to Extra Expense coverage.

D. Additional Coverage - Collapse

The term Covered Cause of Loss includes the Additional Coverage - Collapse as described and limited in D.1. through D.5. below.

1. With respect to buildings:

- a. Collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose;

- b. A building or any part of a building that is in danger of falling down or caving in is not considered to be in a state of collapse;

- c. A part of a building that is standing is not considered to be in a state of collapse even if it has separated from another part of the building;

- d. A building that is standing or any part of a building that is standing is not considered to be in a state of collapse even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

2. We will pay for direct physical loss or damage to Covered Property, caused by collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if the collapse is caused by one or more of the following:

- a. The "specified causes of loss" or breakage of building glass, all only as insured against in this Coverage Part;
- b. Decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
- c. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
- d. Weight of people or personal property;
- e. Weight of rain that collects on a roof;

- f. Use of defective material or methods in construction, remodeling or renovation if the collapse occurs during the course of the construction, remodeling or renovation. However, if the collapse occurs after construction, remodeling or renovation is complete and is caused in part by a cause of loss listed in 2.a. through 2.e., we will pay for the loss or damage even if use of defective material or methods, in construction, remodeling or renovation, contributes to the collapse.

The criteria set forth in 1.a. through 1.d. do not limit the coverage otherwise provided under this Cause of Loss Form for the causes of loss listed in 2.a., 2.d. and 2.e.

3. With respect to the following property:

- a. Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;
- b. Awnings, gutters and downspouts;
- c. Yard fixtures;
- d. Outdoor swimming pools;
- e. Fences;
- f. Piers, wharves and docks;
- g. Beach or diving platforms or apparatuses;
- h. Retaining walls; and
- i. Walks, roadways and other paved surfaces; if the collapse is caused by a cause of loss listed in 2.b. through 2.f., we will pay for loss or damage to that property only if:

- a. Such loss or damage is a direct result of the collapse of a building insured under this Coverage Form; and
- b. The property is Covered Property under this Coverage Form.

4. If personal property abruptly falls down or caves in and such collapse is not the result of collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:

- a. The collapse was caused by a Cause of Loss listed in 2.a. through 2.f. above;
- b. The personal property which collapses is inside a building; and
- c. The property which collapses is not of a kind listed in 3. above, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph 4. does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

Collapse of personal property does not mean cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

5. This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this Coverage Part.

E. Additional Coverage - Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

1. The coverage described in E.2. and E.3. only applies when the "fungus", wet or dry rot or bacteria is the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.

- a. A "specified cause of loss" other than fire or lightning; or
- b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:

- a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
- b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
- c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.

3. The coverage described under E.2. of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continues to be present or active, or recurs, in a later policy period.

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph F.2 (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss Form or under the Additional Coverage - Collapse.

6. The following, f.a. or f.b., applies only if Business Income and/or Extra Expense coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense coverage form.

a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.

b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

F. Additional Coverage Extensions

1. Property In Transit

This Extension applies only to your personal property to which this form applies.

a. You may extend the Insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salesperson) in transit more than 100 feet from the described premises. Property must be in on a motor vehicle you own, lease or operate while between points in the coverage territory.

b. Loss or damage must be caused by or result from one of the following causes of loss:

(1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.

(2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the road bed.

(3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.

c. The most we will pay for loss or damage under this Extension is \$5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. Glass

a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.

b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension, F.2, does not increase the Limit of Insurance.

G. Definitions

1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycelium, spores, ascents or by-products produced or released by fungi.

2. "Specified Causes of Loss" means the following: Fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.

a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:

(1) The cost of filling sinkholes; or

(2) Sinking or collapse of land into man-made underground cavities.

b. Falling objects does not include loss or damage to:

(1) Personal property in the open; or

(2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.

c. Water damage means accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam.

This endorsement modifies insurance provided under the following:

BUILDING AND PERSONAL PROPERTY COVERAGE FORM
BUSINESS INCOME COVERAGE FORM
CAUSES OF LOSS - SPECIAL FORM

POLICY ADDITIONS

The following paragraphs are added to the BUILDING AND PERSONAL PROPERTY COVERAGE FORM:

A. COVERAGE

5. Coverage Extensions

g. Money and Securities

(1) We will pay for loss of "money" and "securities" used in your business while at a bank or savings institution, while at the described premises, or in transit between these places, or in the custody of a person you have authorized to have custody of the "money" or "securities," resulting directly from:

- Theft, meaning any act of stealing;
 - Disappearance; or
 - Destruction.
- (2) In addition to the Limitations and Exclusions, we will not pay for loss:
- Resulting from accounting or arithmetical errors or omissions;
 - Due to the giving or surrendering of property in any exchange or purchase; or
 - Of property contained in any "money" operated device unless the amount of "money" deposited in it is recorded by a continuous recording instrument in the device.

(3) All loss:

- Caused by one or more persons; or
 - Involving a single act or series of related acts; is considered one occurrence.
- (4) You must keep records of all "money" and "securities" so we can verify the amount of any loss or damage.
- (5) In the event of loss or damage we will determine the value as follows:
- "Money" at its face value; and

(b) "Securities" at their value at the close of business on the day the loss is discovered.

(6) "Money" means

- Currency, coins and bank notes in current use and having a face value; and
- Travelers checks, regular checks and money orders held for sale to the public.

(7) "Securities" means negotiable and non-negotiable instruments or contracts representing either "money" or other property and includes:

- Tokens, tickets, revenue and other stamps (whether represented by actual stamps or unstamped value in a meter) in current use; and
- Evidences of debt issued in connection with credit or charge cards, which cards are not issued by you; but does not include "money."

(8) The most we will pay under this extension for loss in any one occurrence is \$5,000.

h. Accounts Receivable

You may extend the insurance that applies to Covered Property to cover the following loss and expenses which are the direct result of loss or damage by a Covered Cause of Loss to accounts receivable records:

- All sums due you from customers, provided you are unable to effect collection.
- Collection expenses in excess of normal collection costs made necessary because of loss or damage; or
- Other reasonable expenses incurred by you in re-establishing records of accounts receivable following such loss or damage.

The most we will pay under this Extension is \$25,000 at each described premises.

1. Extra Expense

We will pay necessary Extra Expense (other than the expense to repair or replace property) you incur during the "period of restoration," that you would not have incurred if there had been no direct physical loss or damage from a Covered Cause of Loss to property at the described premises, including personal property in the open (or in a vehicle) within 1,000 feet, caused by or resulting from a Covered Cause of Loss. Extra Expense means expense incurred:

- To avoid or minimize the suspension of business and to continue "operations" at the described premises or at replacement premises or temporary locations, including relocation expenses and costs to equip and operate the replacement location or temporary location.
- To minimize the suspension of business if you cannot continue "operations."

We will also pay Extra Expense to repair or replace property, but only to the extent it reduces the amount of loss that otherwise would have been payable under this Additional Coverage.

We will not pay for:

- Any Extra Expense caused by or resulting from:
 - Delay in rebuilding, repairing or replacing the property or resuming "operations," due to interference at the location of the rebuilding, repair or replacement by strikers or other persons; or
 - Suspension, lapse or cancellation of any license, lease or contract.
- Any other consequential loss.

"Period of restoration" means the period of time that:

- Begins with the date of direct physical loss or damage caused by or resulting from any Covered Cause of Loss at the described premises; and
- Ends on the date when the property at the described premises should be repaired, rebuilt or replaced with reasonable speed and similar quality.

"Period of restoration" does not include any increased period required due to the enforcement of any ordinance or law that:

- Regulates the construction, use or repair, or requires the tearing down of any property; or
- Requires any insured or others to test for, monitor, clean up, remove, contain,

treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants."

The expiration date of this policy will not cut short the "period of restoration."

"Operations" means your business activities occurring at the described premises.

The most we will pay for loss under this Additional Coverage is \$25,000 for each described premises.

J. Arson Rewards

You may extend the insurance provided by this Coverage Form to apply to rewards given to any person or persons, other than you, your officers, your employees or your active members, for information leading to an arson conviction in connection with a fire loss to the described premises.

The most we will pay under this Extension is \$5,000 per fire loss. This is the most we will pay regardless of the number of persons who provided information.

K. Water Damage

You may apply up to \$2,500 for each described premises to cover loss or damage caused directly or indirectly by water that backs up from a sewer or drain. Such loss or damage is excluded, however, if any other cause or event which is not a Covered Cause of Loss contributes concurrently or in a sequence. The most we will pay in any one policy period is \$15,000.

L. Fire Extinguishing System Re-charge

We will pay the cost to recharge your approved, industry standard fire extinguishing system if it discharges to fight a fire. We will also cover the cost to recharge the system if it accidentally discharges.

But we will not pay for any loss that occurs at the time of installation, repair or recharge of the system.

(1) This policy is extended to cover "perishable stock" at the described premises owned by you or by others that is in your care, custody or control. "Perishable stock" is defined as personal property that is:

- (a) maintained under controlled conditions for its preservation; and
- (b) susceptible to loss or damage if the controlled conditions change.

(2) For the purpose of this extension only, the Covered Cause of Loss is defined as:

- (a) The disconnection of any refrigerating, cooling or humidity control system from the source of power.
- (b) The inability of an electrical utility company or other power source to provide sufficient power due to:

 - (1) lack of fuel; or
 - (2) governmental order.

- (c) The inability of a power source at the described premises to provide sufficient power due to lack of generating capacity to meet demand.

(d) Breaking of any glass that is a permanent part of any refrigerating, cooling or humidity control unit.

A. Cap On Certified Terrorism Losses

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act of 2002. The criteria contained in that Act for a "certified act of terrorism" include the following:

1. The act resulted in aggregate losses in excess of \$5 million; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals acting on behalf of any foreign person or foreign interest, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

With respect to any one or more "certified acts of terrorism" under the federal Terrorism Risk Insurance Act of 2002, we will not pay any amounts for which we are not responsible under the terms of that Act (including subsequent action of Congress pursuant to the Act) due to the application of any clause which results in a cap on our liability for payments for terrorism losses.

B. Application Of Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.
